

CANCER METASTASIS RESEARCH SYMPOSIUM

Friday, October 27, 2023
8:30 a.m. – 5:00 p.m.
Breakfast & lunch provided

Vontz Center for Molecular Studies
3125 Eden Ave. Cincinnati, OH 45267
Free parking in Eden Garage

Uncover revolutionary breakthroughs in cancer metastasis research at our distinguished symposium. Connect with top-tier experts as they showcase their latest discoveries in captivating presentations. Delve into the critical aspects of cancer, with a special emphasis on metastasis, as we explore its genetic, metabolic, and signaling components using state-of-the-art, cutting-edge technology.

Practice-changing updates

Free to attend

Keynote Speakers:

Andrew M. Lowy, MD
Professor of Surgery
Adjunct Professor of Pharmacology
Chair & Chief, Division of Surgical Oncology
Moore's Cancer Center, UC San Diego

Laura M. Machesky, FRSE, FMedSci
Sir William Dunn Professor of Biochemistry
University of Cambridge, United Kingdom

Dihua Yu, MD, PhD
Professor & Chair ad Interim of Department of Molecular and Cellular Oncology
University of Texas, M.D. Anderson Cancer Center

David C. Lyden, MD, PhD
Professor of Pediatrics,
Professor of Cell and Developmental Biology
Stavros S. Niarchos Professor in Pediatric Cardiology
Weill Cornell Medical College
Cornell University

Poster Abstract Submission:

Poster Abstract Submission opens Thursday, July 20th and closes on Thursday, September 28th at 5 p.m. Submit abstracts here:
