

UC CAR Weekly Newsletter 12.4.2020

Welcome to the weekly newsletter from the Center for Addiction Research! Each newsletter includes highlights from Addiction in the News topics as well as active funding opportunities offered by NIDA/NIAAA. Please email Jen Rowe (roweji@ucmail.uc.edu) to change your communication preferences or to request additions to this distribution list.

Thank you for your interest in the Center for Addiction Research - our mission is to accelerate scientific progress in the prevention and treatment of substance use disorders and their consequences by fostering research collaborations across: 1) UC departments, colleges, and centers including Cincinnati Children's Hospital Medical Center; 2) Local, regional, and state community and governmental partners; and 3) Other academic institutions and industry.
