

Safety & Health Fundamentals Certificate Program OSHA, Department of Labor

This certificate program is supported by OSHA, Department of Labor and the curriculum consist entirely of OTI courses. Non-OTI courses are not accepted.

How to Apply

1. Complete the course work. You can track your progress by saving your OSHA course completion certificates (you will need these for your application) and reviewing the requirements of the DOL certificate at the below links:

[Construction Certificate Program](#)

[General Industry Certificate Program](#)

[Maritime Industry Certificate Program](#)

2. Submit your application. Upon completion of all required and elective OSHA courses, submit a completed Application Verification Form, include copies of all course completion certificates. Request and submit completed applications by emailing: oshaed@uc.edu .

3. Receiving your certificate. Upon verifying that all requirements have been met, the staff at the University of Cincinnati will send your application to OSHA for you at no charge. Your certificate will be processed by OSHA DOL and mailed to you by the Great Lakes OSHA Education Center at the University of Cincinnati.
