

ATTENTION

M1 Class of 2027

Invitation to attend:

Introduction to 2024 Summer Research & Service Opportunities

Wednesday, October 25, 2023

12:00-12:50p • MSB 7051

13 UC/CCHMC Program Directors share what makes their program stand out and why you should apply for a spot with them in summer 2024 and Dr. Amy Thompson, Director Office of Medical Student Research along with student representatives of the Research and Industry Relations Committee provide an overview of the resources available to assist in finding and apply for summer opportunities.

You don't want to miss this session!
