Thursday, August 18th, 2022

University of CINCINNATI

August 2022 Study of the Month #1

NMDAR Autoimmune Encephalitis Study

NN111 ExTINGUISH Research Study

What
A research study to evaluate the safety and effectiveness of Inebilizumab for NMDAR Encephalitis. Inebilizumab is an FDA approved medication for a related autoimmune disorder. Currently there are no approved medications for NMDAR Encephalitis.

Who
Adults 18 and older who have been diagnosed with NMDAR Encephalitis and are willing to forego other immunomodulatory therapies.

Pay
Eligible participants will receive $50 per completed visit.

Details
For more information, please contact Tiffany Rupert at (513) 558-0269 or rupertts@ucmail.uc.edu or Angela Molloy at (513) 558-7118 or angela.molloy@uc.edu.

University of CINCINNATI

Clinical/Laboratory Research Professional Award

Nominations due: August 22, 2022 (by 5pm)

To recognize the service of UC College of Medicine staff, the CoM Office of Research is soliciting nominations for the **Clinical Research Professional Award** and the **Laboratory Research Professional Award**.
A single award will be presented to each a clinical and a laboratory research employee who shows outstanding commitment to advancing the CoM research mission. Award recipients will be honored with a $1,000 award!

All nominations and submission information can be found at:
https://www.med.uc.edu/research/recognition/professional-award

These are two separate and distinct awards. Applicants should further review the **Clinical Research Professional RFA** or the **Laboratory Research Professional RFA** for specific information unique to each award.
Nominations should be submitted electronically through the **submission portal**.
Questions should be sent to **Brieanne Sheehan**.

Please consider donating to the CoM Research Professional Award Fund so that we may continue to honor our research professionals. **Give today!**

New Resource: UC Regulatory Channel:

This chat channel was created with the goal of unifying the regulatory communities and specialists at UC/UCH. There are many ways of handling regulatory duties, and this chat is designed to create an open community where any question, suggestion, or inquiry is welcomed. This channel will can provide the following to all who join:

- Aid or advice to new regulatory staff members at UC/UCH
- Potential demo/training opportunities of new systems, regulatory procedures, or submissions
- Discussion or feedback relating to regulatory submissions/approval processes for studies using UC IRB, CIRBs, or external IRBs
- Sharing of regulatory guidance documents and knowledge as it relates to FDA/ICH guidelines or OCR/IRB SOPs and Policies
- A way for regulatory staff to unify and share ideas or create innovative workflows aiding the regulatory processes

For anyone interested in joining this chat channel, please send an email to Kalen Butcher (butchekn@ucmail.uc.edu) to be added or have your team members added.

Today's Presentation:

Education and Career Development: Formal Education at UC

Attendees will learn how to access educational opportunities at UC. Topics include how to activate tuition remission for UC employees, degrees and certifications of interest to CRPs, and addressing challenges to completing formal educational requirements

Elizabeth J. Kopras

Senior Research Associate

Pulmonary, Critical Care & Sleep Medicine

University of Cincinnati

Education and Career Development:

Formal Education at UC

Elizabeth J. Kopras

August 18, 2022

Introductions

- Senior Research Associate in PCC&SM
- Obsessions include research design, poetry, horses, evidenced-based programs, and pawpaws
- I've accumulated over 340 credit hours
- Goal: Learn what's available and how you can access it
- *Full disclosure: UC websites are confusing!*

University of CINCINNATI | next lives here

Learning objectives

- Know about the bachelor programs, certificates, masters and PhD programs that could benefit career growth and development
- Understand tuition remission process
- Be able to navigate the UC class registration pages (maybe!)
- Locate other educational opportunities provided by UC

University of CINCINNATI | next lives here

Tuition Remission: Bearcat Sharepoint

- Must be on campus or logged in through VPN
- Latest information is always here
- https://mailuc.sharepoint.com/sites/HR
  - Virgin Pulse Portal for health incentives
  - Rowe loans
  - Other benefits
- https://mailuc.sharepoint.com/sites/HR-Benefits/SitePages/Tuition-Remission-Eligibility.aspx

University of CINCINNATI | next lives here

Tuition remission

- UC employee
- You—tuition and general fees. Unlimited hours for full time employees, no approval needed
  - But register early, in case you have issues
- Your spouse or domestic partner, children—tuition only. Still have general fees. Must log in to Bearcat Landing and apply. Takes a couple weeks to get approval.
  - Need Income Tax Return and child's birth certificate
- Some programs excluded—MD and MS in Physiology

University of CINCINNATI | next lives here

Tuition remission—you might owe taxes

	Employee	Spouse	Domestic Partner	Eligible Child
Undergraduate Coursework	Tax Free	Tax Free	Fully Taxable	Tax Free
Graduate Coursework	Tuition remission in excess of $5,250 in a calendar year	Fully Taxable	Fully Taxable	Fully Taxable

- Your 1098T (tuition form) will show no charges, so talk to your tax person about tuition tax credits

University of CINCINNATI | next lives here

Scheduling classes

- https://onestop.uc.edu/

- UC is on semesters—but some odd breakups
  - Summer Session: A 5/31-7/3; Session E: 6/23-8/6; Session B: 7/5-8/6
  - Flex sessions: sometimes over a weekend or just a week-long

- Fall 2022: August 22-Dec 3; Exams Dec 4-10
- First half session: 8/22-10/8; Second half session 10/11-12/3

University of CINCINNATI | next lives here

Scheduling classes

- You don’t have to declare a major or apply to a program to take classes
- Life-longer learners!
- Some classes have prerequisites or require you to be in the program
  - Email the professor and ask permission

Scheduling classes (cont)

- UC East Campus
  - MSB, Kettering, Health Professionals Building, French Hall East, whatever the pharmacy building is called
- UC Main Campus
- Blue Ash—Clinical Research Coordinator classes here
- Clermont Campus
- Online options—Synchronous or asynchronous

University of CINCINNATI | next lives here

https://onestop.uc.edu/

- I hate this website—hard to browse for courses
- Course Catalog—classes that might be offered someday
- Class offerings—classes that are actually being offered

Description

This course is intended to be the beginning of your foray into Lean Quality Improvement in the healthcare setting. As a beginner course, it initiates a framework for understanding Lean concepts and methodologies to prepare students for future pragmatic applications in the context of their daily work in clinical environments. Readings, discussion boards, lectures, activities and videos will be used to help the student understand methods for implementing Lean Quality Improvement.

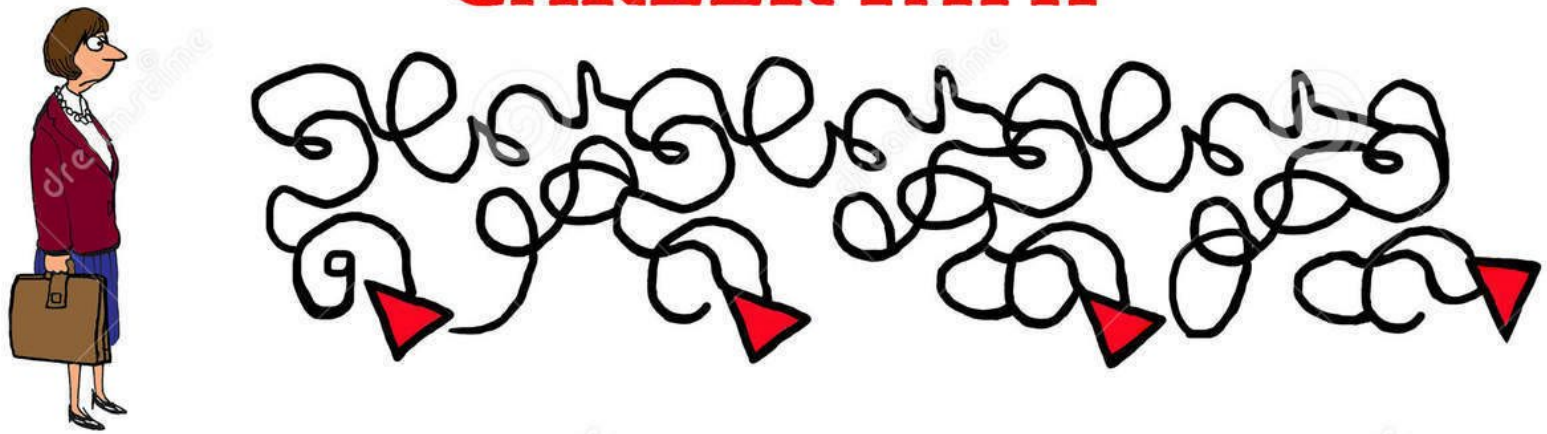
Which programs will help you on your path?

- What type of job would you like to be doing, five years from now?
- What is your time commitment?
- Personal and professional growth

CAREER PATH



- Lots of focus on how to ‘climb the ladder’

- But what brings you joy? Excitement? Satisfaction?

- What parts of your job would you like to expand?
- What new career challenges would you love to pursue?

University of CINCINNATI | next lives here

Certificates, Certifications, Endorsements

- Certificate confirms the attendance or completion of a series of courses related to a specific discipline.
  - Undergraduate and graduate certificates

- Certification indicates that your knowledge in a specific discipline has been proven through an assessment process, such as an exam, and can require experience.

- Endorsements provide additional knowledge in a specific discipline (more in the College of Education)

Lots of certificates! Bearcat landing

- Typically around 20 credit hours
- 3-4 core classes and a couple electives

Ex: Bioethics (Undergraduate): 6 classes total

A) Intro to Ethics OR Medical Ethics

B) Bioethics

C) 4 classes from a list that includes genetics and bioethics, normative ethics, ethics and the family, sex and death, how science works, Jewish and Christian bioethics, Nazi medicine, Health communication

Certificates (cont)

Example undergraduate certs:

- Database Management
- Integrative Health
- Minority Health
- Organizational Leadership
- Physician Practice Management
- Professional Writing

Example graduate certs:

- Biomedical informatics
- Clinical and translational research
- Clinical trials design and research
- Health care (admin, operations, finance, policy)
- Health communication
- Community engaged research for health

University of CINCINNATI | next lives here

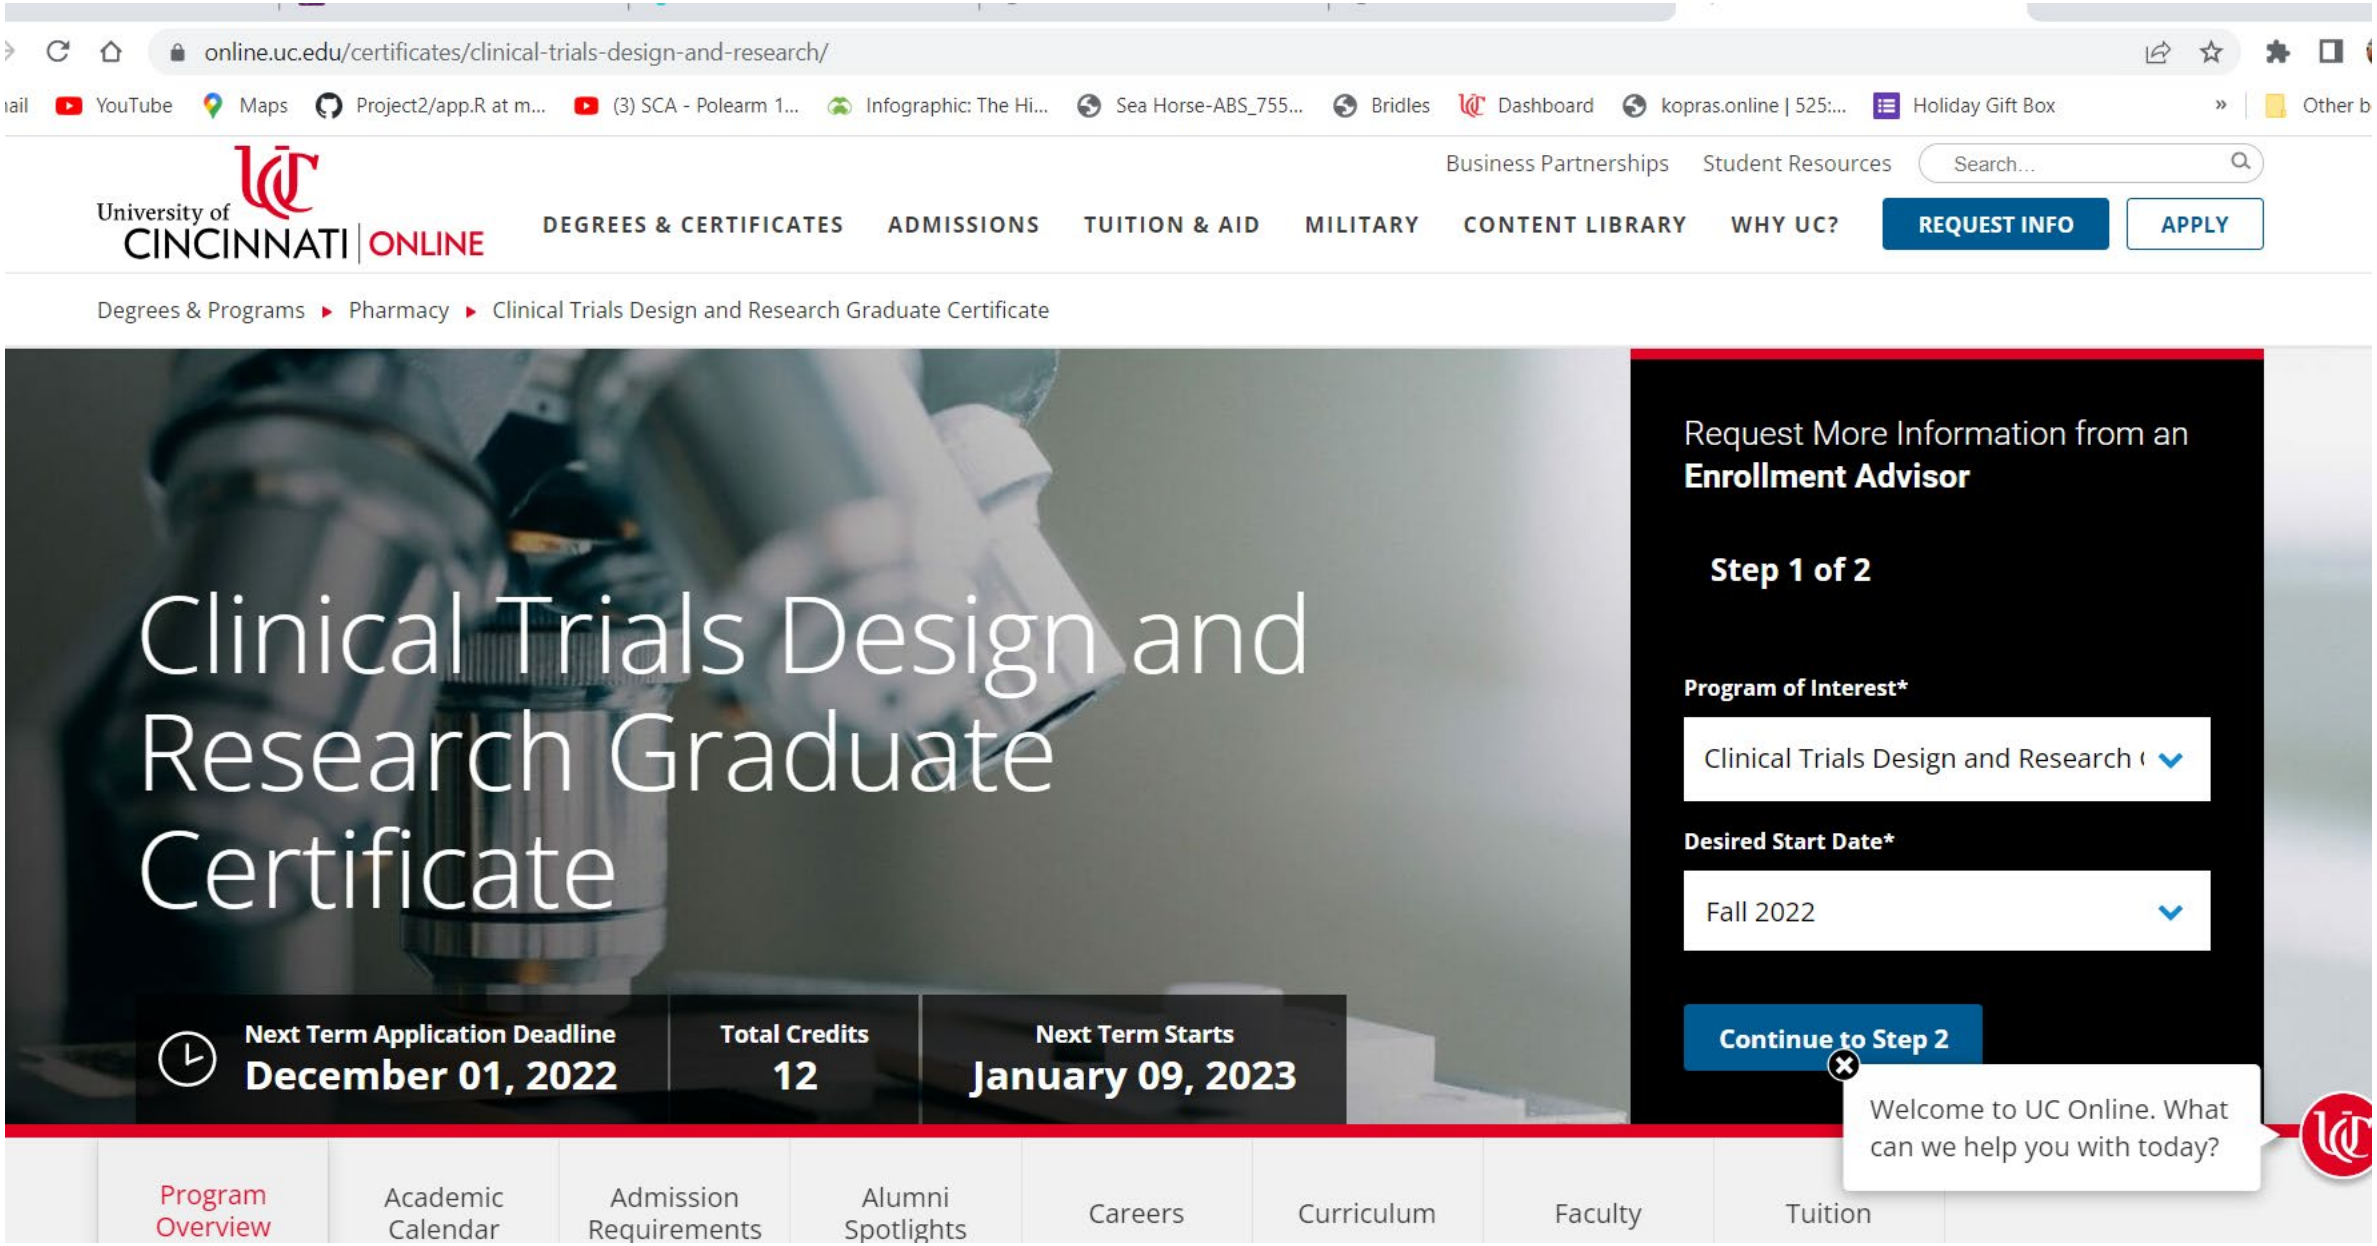
How to apply for Certifications

- https://online.uc.edu/programs/

- Click on the certification program you are interested in; each certification has a different application process.

https://online.uc.edu/apply-now/

Example: Clinical trials design and research graduate certificate



University of CINCINNATI | next lives here

Masters programs (examples)

- The courses from your graduate certificate can count towards your masters
- MBAs in several areas
- Master Of Science (MS) Program In Clinical & Translational Research (CTR)
  - Designed to be completed as a part time student

University of CINCINNATI | next lives here

What if you haven't finished a Bachelors?

- Meet with an advisor!
- https://www.uc.edu/pathways/transfer.html
- You might be surprised how many previous classes can count towards a degree.

University of CINCINNATI | next lives here

UC Online Degrees

- https://online.uc.edu/programs/

- RN to BSN
- BS Respiratory Therapy
- BS Public Health
- MS Health Administration
- MS of Health Informatics
- MS Health and Wellness
- MS Community Health & Prevention Science
- MS Nursing Systems Leadership
