

Abstracts & Presentations at National Meetings

CAP Annual Meeting 2025

1. EDTA is an optimal decalcification reagent that preserves ER and PR receptor immunohistochemistry and HER2/neu chromogenic in situ hybridization expression in metastatic breast carcinoma involving bone. Poster Presentation.
Lu Y, Agarwal P, Taylor C, Austin D, Rosen L, Hinrichs B.

Ohio Society of Pathologists Spring Meeting 2025

1. An Incidentaloma Emerges as a PLCB4-mutated Blue Melanocytoma. Poster Presentation.
Bazrafshan S, Sun J.
2. Metastatic lung adenocarcinoma with orphan mutation of EGFR-SEC61G fusion and EGFR amplification. Poster presentation.
Lu Y, Lee P, Wang J.

ASDP Annual Meeting 2024

1. A Cellular Blue Nevus with Atypical Presentation. Poster Presentation.
Bazrafshan S, Jianlan S, Bastian XX.

CAP Annual Meeting 2024

1. Prevalence and Outcome of SARS-Cov-2 Infection in Hospitalized Multiple Myeloma patients in Early phase of COVID-19 pandemic (2020): A Nationwide Study. Poster Presentation.
Salibindla D.
2. A Case of hypothetical “In Situ lesion” of Nodular Lymphocyte Predominant Hodgkin Lymphoma (NLPHL). Poster Presentation.
Mallikarjuna V, Salibindla D, Grier D.
3. Demographic Disparities and Outcomes of COVID-19 Coinfection on Mucormycosis: A Nationwide Analysis of US Hospitalizations. Poster Presentation.
Salibindla D.

USCAP Annual Meeting 2024

1. My Heart Belongs to Yew. Poster Presentation.
Ka F, Laib A.

2. High Proliferative Index Carcinoids Portend a Worse Prognosis Even in Absence of High-Grade Features. Platform Presentation.
McGeough A, Salibindla D, Sharma D.
3. High Proliferative Index Carcinoids Portend a Worse Prognosis Even in Absence of High-Grade Features. Poster Presentation.
McGeough A, Salibindla D, Sharma D.
4. Predictive Value of High-Risk Human Papilloma Virus For Cervical Dysplasia. Poster Presentation.
Salibindla D, Jug R.

ASH 2024

1. Inosine Monophosphate Dehydrogenase -2 (IMPDH2) As the potential Novel Therapeutic Target in Mantle Cell Lymphoma (MCL): The Underlying Tyrosine Phosphorylation-Based Activation Mechanism and Translational Implications.. Poster Presentation.
Mallikarjuna, V.

ASCP Annual Meeting 2024

1. Disseminated Toxoplasma gondii Infection in a Deceased Donor Kidney Transplant Recipient: A Fatal Case Report. Poster Presentation.
Salibindla, D.
2. Isolated Perianal Langerhans Cell Histiocytosis in an HIV-Positive Adult: A Rare Incidental Finding. Poster Presentation.
Salibinda D, Mallikarjuna V, Sharma D.
3. All that is squamous is not squamous; A rare case of Squamoid eccrine ductal carcinoma. Poster Presentation.
Mallikarjuna V, Nani C, Hagen M, Sharma D, Gilday S.
4. Gastrointestinal schistosomiasis and adenocarcinoma; A causal relationship with rectal adenocarcinoma. Poster Presentation.
Salibinda D, Mallikarjuna V, Sharma D.

USCAP Annual Meeting 2023

1. Non-Cell Block Cytology Specimens Provide Reliable DNA/RNA Quality for Comprehensive Next-Generation Sequencing (NGS) Assay for Solid Tumors. Platform Presentation.
Yakoub MA, Fanelli G, Dillehay K, Lee P.
2. Prevalence and Pattern of Mismatch Repair Protein Deficiency. Poster Presentation.
Zhang E, Yan M, Owens V.

USCAP Annual Meeting 2022

1. Radiologic and Pathologic Correlation Among Myocarditis and Infiltrative Cardiomyopathies on Endomyocardial Biopsy: An Institutional Experience. Platform Presentation.
McGeough, A., Taylor, C., Saad, A., Rosen, L., Sharma, D.
2. Rabbit-Derived Anti-thymocyte Globulin Treated Transplant Heart Biopsies Have A Distinct Phenotype on C4d Immunofluorescence That Does Not Mimic Antibody Mediated Rejection. Poster Presentation, Stowell-Orbison Award Poster Session.
McGeough, A., Cook, J., Rosen, L., Sharma, D.
3. Molecular Therapeutic Target Profiles of High-Grade Ovarian Carcinomas: An Institutional Experience. Poster Presentation.
Ikegami, S., Lee P.
4. Subclassification of Fine Needle Aspirations for Basaloid Salivary Gland Neoplasm of Uncertain Malignant Potential is Predictive of Benign vs. Malignant Neoplasms. Poster Presentation.
Gaddam S., Wang J., Lee P.

Other Meetings – 2022

1. Causes of False Benigns in Fine Needle Aspiration of Carcinoma Ex-Pleomorphic Adenoma of Salivary Gland. American Society of Cytopathology Annual Meeting. Poster Presentation.
Gaddam S., Wang J., Lee P.
2. Diagnostic Criteria for COVID-19 Pneumonia Bronchoalveolar Lavage Specimens. American Society of Cytopathology Annual Meeting. Poster Presentation.
Yakoub MA, Zander D, Lee P.
3. Shallow Placental Implantation Recurs in Subsequent Pregnancies. Spring Meeting of Society for Pediatric Pathology (SPP). Poster Presentation (Virtual).
Ikegami S., Stanek J.

ASCP Annual Meeting 2021

1. Concordance and discordance among antiphospholipid syndrome screening assays. Poster presentation.
Reno ML and Stefaniuk CM.
2. Secondary sclerosing cholangitis: a lesser-known side effect of pembrolizumab therapy. Poster presentation.
Taylor C, **Reno ML**, and Sharma D.

ASH Annual Meeting 2021

1. SHP-1 Loss Augments DLBCL Cellular Response to Ibrutinib: A Candidate Biomarker. *Poster Presentation*.
Y. Lynn Wang, MD, PhD, Ji Ma, MD PhD, **Vinay Mallikarjuna, MD**, Pin Lu, Shengchun Wang, MD, PhD, Sahar Poureghbali, MD, Mariusz A Wasik, Reza Nejati, MD and Wenjun Wu.

CAP Annual Meeting 2021

1. Pancreatic Heterotopia of the Gallbladder. *Poster Presentation*.
Yakoub M.A., Jing N.H., Sethi A.
2. De Novo Collecting Duct Carcinoma in a Transplant Kidney With Distant Metastasis. *Poster Presentation*.
Yakoub M.A., Wang D.
3. Aggressive Anti-N-Methyl-DAspartate Receptor Encephalitis Associated With Ovarian Microteratoma. *Poster Presentation*.
Yakoub M.A., Rossi R., Mansour A.
4. A case of AL-amyloidosis confirmed by liquid chromatography tandem mass spectrometry with negative immunofluorescence finding. *Poster Presentation*.
Huang Y, Wang D.

Society for Pediatric Pathology Annual Meeting 2021

1. Bilateral Schizencephaly and Dandy Walker Malformation with Accompanying Bile Duct Malformation: Case Report. *Poster Presentation*.
Ikegami S, Lee MJ, Ernst ML.
2. Massive Perivillous Fibrin Deposition and Chronic Intervillositis: Potential Placental Features of Severe Acute Respiratory Syndrome Coronavirus 2 (SARS-CoV-2) Infection. *Poster Presentation*.
Ikegami S, Jamshidi P, Ernst ML.
3. Prevalence of chronic histiocytic intervillitis before and after the COVID-19 pandemic. *Platform Presentation*.
Ikegami S, Ernst ML.

Other Meetings 2021

1. Mixed focal nodular hyperplasia (FNH) and hepatocellular adenoma (HA) in an explant liver. Chinese American Pathologists Association Resident/Fellow Case Presentation Series. *Oral Presentation*.
Huang Y, Shah S, Wang J.

ASCP Annual Meeting 2020

1. A Rare Case of Intravascular B-cell Lymphoma of the Gallbladder. Poster Presentation.
Raheel Ahmed MD, Benjamin Hinrichs MD, Matthew Hagen, MD, PhD.

CAP Annual Meeting 2020

2. Lipomatous Hypertrophy Of Interatrial Septum In Sudden Cardiac Death: An Incidental Finding Or Cause of death? Poster Presentation.
Esraa Mohamed, MBBCh, Diping Wang, MD, PhD, and Shobha Parajuli, MD.
3. Ossification with Bone Marrow Formation in Blood Vessel Wall in Peripheral Artery Disease, A Case Report. Poster Presentation.
Mohamed A. Yakoub, MD, PhD, Angel Munoz, MD.
4. Giant Cell Reaction in Lifting Agent Injection Site in Sigmoid Colon Resection - A Case Report. Poster Presentation.
Mohamed A. Yakoub, MD, PhD, Steven Gilday, MD, PhD, Angel Munoz, MD.
5. A Rare Hematologic Finding in a Case of Thymoma. Poster Presentation.
Pari Shelat, MD, Hope Hastings, MD, **Ramya Velagapudi, MD, Steven Gilday, MD, PhD.**
6. A Rare Case of Post-Transfusion Purpura. Poster Presentation.
Pari Shelat, MD, Hope Hastings, David Oh, Jeremy Hart.
7. A Rare Case of AL Amyloidosis with Acute Liver Failure. Poster Presentation.
Yuan Huang, MD, PhD, Kurt B. Hodges, MD, Jiang Wang, MD, PhD.
8. A Rare Case of Acute Necrotizing Herpes Simplex Virus Hepatitis at Autopsy. Poster Presentation.
Raheel Ahmed, MD, Kurt Hodges MD, Divya Sharma MD.
9. Pulmonary Nodular Lymphoid Hyperplasia: A Case of a Rare Benign Mimic of Malignancy. Poster Presentation.
Steve Gilday, MD PhD, Mohga Ali, MD, Lauren Rosen, MD.
10. Focal Segmental Glomerulosclerosis in the Setting of Transplant Glomerulopathy. Poster Presentation.
Ramya Krishna Velagapudi, MD, Diping Wang, MD, PhD, Simon Tremblay, PharmD, PhD, Paul J. Lee, MD, PhD.
11. A Variant of Cholangiocarcinoma Mimicking Metastatic Follicular Thyroid Carcinoma to the Liver. Poster Presentation.
Oluwadamilare Ajayi, MD, Jiang Wang, MD, PhD.

USCAP Annual Meeting 2020

1. Huang Y, Wang Y, Parajuli S, Lee PJ. testing in pancreatic carcinoma specimens improves adequacy rates. Poster Presentation.
Huang Y, Wang Y, Parajuli S, Lee PJ.
2. Role of Chromosomal Microarrays in evaluation of Myelodysplastic Syndromes: A Single Institution Experience. Poster Presentation.

Mallikarjuna, V.S., Matloob, S., Pei, J., Talarchek, J.N., Al-Saleem, E.D., Al-Saleem, T., Fung, H., Wasik, M.A., Testa, J.R., Nejati, M.R.

Other Meetings 2020

1. Characterization of viral epitopes and the HLA restriction that govern anti-adenoviral response to viral specific T-lymphocyte therapy in a pediatric cohort. 2020 Transplantation and Cellular Therapy (TCT) Meeting. Poster Presentation. Rubinstein, JD, **Zhu X**, Leemhuis T, Bollard CM, Keller MD, Hanley PJ, Cancelas JA, Davies SM, Nelson AS, Grimley MS, Lutzko C.
2. Allogeneic viral specific T cells are safe and can be efficient in the treatment of infections in solid organ transplant recipients. 2020 Transplantation and Cellular Therapy (TCT) Meeting. Poster Presentation. Nelson AS, Clark T, Clark D, Grimley O, Rubinstein, JD, **Zhu X**, Wilhelm J, Bollard CM, Hanley PJ, Keller MD, Cancelas JA, Davies SM, Lutzko C, Grimley MS.
3. Intraoperative Hemorrhage Testing and Blood Utilization Quality Indicators: Opportunity for Refinement. Annual Meeting of American Association of Blood Banks (AABB). Poster Presentation. **Ikegami S**, Feldser L, Belanger M, Saporito C, Wright G, Gniadek TJ, Kang J.
4. Renal tubular dysgenesis (RTD) associated with severe placental maternal vascular malperfusion. Fall Meeting of Society for Pediatric Pathology (SPP). Poster Presentation. **Ikegami S**, Bockoven C, Ernst ML 2020
5. Standardized grading of chronicity in native renal biopsies: a single center experience. American Society of Nephrology/Kidney Week. Poster Presentation. **Huang Y**, Lee PJ, Wang D.
